

**APRIL 2009 REPORT – PAUL KINGSLEY OTI
NYANYANO, GOMOA DISTRICT, CENTRAL REGION, GHANA, WEST AFRICA**

INTRODUCTION

This month I worked with various congregations such as Akraman Church, Iron City Church. I was also at the church planting outreach at Dominase in the Gomoa District which resulted in 10 souls won for Christ.

CHURCH PLANTING

On 14th -10th April, 2009, there was a gospel campaign programme organized by Tema Vertical Centre Evangelism team in conjunction with Fetteh evangelical team which worked hand in hand and established the church at Gomoa Dominase which saw 10 souls baptized for Christ. They were used to start the church at Dominase.

VISITATION

I visited Akraman Church on 26th April, 2009. Lesson taught was on Worshipping God through Prayer. I again exhorted them to be faithful till death and d accept Jesus Christ as their Lord and Savior.

WORSHIP SERVICE AND BIBLE CLASSES

According to the programme of the year, the congregation decided that at the end of every quarter will be used to review the lessons taught during the quarter to assess the strength and weaknesses of the church. This was done this month and was very interesting.

SUNDAY WORSHIP AND BIBLE CLASS ATTENDANCE

Date	Adult	Children	Total
April 5, 2009	18	13	31
April 12, 2009	18	11	29
April 19, 2009	14	11	25

CHALLENGES

Our major problem was the attitude of some of our visitors who looked reluctant to be seated on our desks/benches because we worshipped in the classroom. We hope with time as we find resources for a better meeting place, things will change for the better.
